Design a clock for your jewel!
Print and cut out this template.

1. Change printer setting to print a 11x17 Landscape. It's okay to have 8.5x11 paper in your printer.
2. Cut on the dotted lines, fold on the solid lines.
3. Tape the clock stand, piece X, to the clock base.
4. Use a metal brad to fasten the clock hands, piece Y, to the clock face.
